**General Assembly
Seventy-fourth session
Agenda items 32 and 37****Security Council
Seventy-fifth year****Protracted conflicts in the GUAM area and their implications
for international peace, security and development****The situation in the occupied territories of Azerbaijan****Letter dated 22 January 2020 from the Permanent Representative
of Azerbaijan to the United Nations addressed to the
Secretary-General**

Upon instructions from my Government, I have the honour to convey herewith the records of violations of the ceasefire by the Republic of Armenia in October and November 2019 (see annexes I and II).*

During the reporting period, the armed forces of Armenia violated the ceasefire regime 658 and 665 times, respectively, and continued to use large-calibre guns and heavy weaponry from their positions in the occupied territories of the Republic of Azerbaijan and from the territory of the Republic of Armenia.

As a result, one serviceman of the armed forces of the Republic of Azerbaijan was killed during the month of October.

The military occupation by the armed forces of Armenia of the territory of Azerbaijan is a result of the explicitly annexationist agenda of Armenia and is the major obstacle to achieving peace, security, stability and socioeconomic development in the region.

The military occupation of the territory of Azerbaijan does not represent a solution and will never produce a political outcome desired by Armenia. The sooner Armenia withdraws its armed forces from the Nagorno-Karabakh region and other occupied territories of Azerbaijan, the earlier the conflict will be resolved and both countries and their people will benefit from the prospects of cooperation and economic development.

I should be grateful if you would have the present letter and its annexes circulated as a document of the General Assembly, under agenda items 32 and 37, and of the Security Council.

(Signed) Yashar Aliyev
